

INDUSTRY CHALLENGE: HOW DO WE SOLVE THE FUTURE CHALLENGES IN MINING?

September 25 - November 15, 2019

Invitation to Apply

RSVP to briefing workshop by September 23
CV and cover letter due by September 28

OVERVIEW

Approach

Bring together the best and brightest grad and undergrad students to generate new ways to tackle strategic challenges in the international mining industry

Participants

- ▶ UBC Applied Science, Geoscience and Sauder School of Business Students (grad and undergrad)
- ▶ Industry mentors for each team
- ▶ Will be matched into 6 teams of 5 students

Outcome

- ▶ Experience in solving big strategic questions
- ▶ Networking with industry leaders
- ▶ Potential solutions for real world problems
- ▶ Best solutions are pitched to an industry forum in Vancouver
- ▶ Participants invited to apply for a summer internship at EY

KEY HIGHLIGHTS

Industry leaders as mentors to guide the participants through **strategic challenge questions**

Support with background information and mentor interaction via an online **collaboration platform**

Opportunity to pitch team solutions to **mining executives** at an industry breakfast forum **hosted by EY**

PARTICIPANT PROFILE

We would love to receive an application from you if you:

- ✓ Have an open mind to learn and passion to make an impact
- ✓ Are an undergrad/grad student in the Applied Science Faculty, Sauder School of Business or studying geosciences within the Science Faculty (it is not a requirement that you have taken mining subjects at UBC)
- ✓ Have demonstrated leadership, teamwork and problem solving with a diverse intellectual team in academic projects, extra curricular activities and work experiences

2019 Mining Challenge Topics

“

In 2040, how might business harness technological and societal disruptions to create better quality of life for communities impacted by mining operations?

“

How might mining companies continue to attract the next generation of talent to implement continuously emerging technologies?

“

In 2040, how might mining companies lead the way to creating a circular economy?

KEY DATES

Wednesday September 25

- ▶ 5:30pm: arrival and food/drinks at Sauder School Room HA 491
- ▶ 6:00 to 7:00pm background briefing with question time for applicants with EY and UBC faculty

Saturday September 28

- ▶ Deadline for submission of application (CV plus cover letter) to CareersOnline

Wednesday October 9

- ▶ Successful applicants notified by email of their allocation to teams and challenge question

Mid--November

- ▶ Best solutions pitched to executives at mining industry breakfast (EY Vancouver)
